General Message

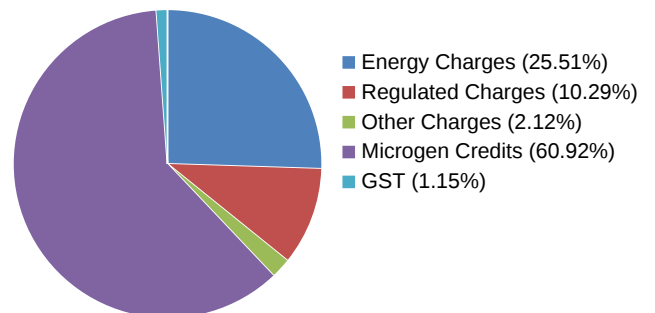

Happy May! BBQ season is back, yard projects are underway and calendars are starting to fill up again. Whether you're planning weekend getaways or getting things ready for Father's Day next month, Spot Power is here to keep your home powered with reliable, affordable energy.

To our Solar Club Members, RateSwitch can now be toggled in your **My Account** portal! Automatic switching has never been this easy. Login, toggle, done!

Even if you're not a solar customer, remember that you can always switch between fixed & variable rates at any time. Variable rates are low right now and you stay protected with our RateRewind feature that notifies you when Electricity market prices start to rise. To change your rate, login to your My Account portal and click the Change button next to your current rate.

If you're enjoying the service and savings you receive with us, consider spreading the word. Referrals help us grow, support more Albertans and keep rates low for everyone.
