**General Message**

Happy May! With BBQs firing up and patios calling our names, we're here to keep your energy flowing smoothly so you can focus on soaking up the sunshine.

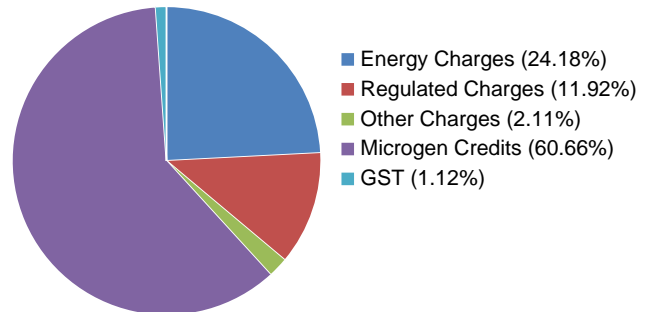

A quick reminder: While the carbon tax on natural gas was removed effective April 1st, some May invoices may still include carbon charges for **usage before that date**. This is expected and will phase out moving forward.

Please note that our office will be closed on Monday, May 19th, for Victoria Day. We'll be back the next day, ready to help with any questions you may have.

And if you're planning a move this spring, don't forget - you can take us with you! Log into your *My Account* portal to submit a move request, and we'll transfer your service to your new home quickly and easily.

Thanks for choosing Spot Power to power your spring adventures!
