**General Message**

Happy March! As we step into spring, Spot Power remains committed to ensuring your transition into the warmer months is smooth, and your energy needs are efficiently met. This is a perfect time to reassess your current energy plan and consider any adjustments that might optimize your usage and costs as we move away from the cold.

Thinking about upgrading or changing your energy plan? Our dedicated customer service team is here to provide you with all the information you need to make the best decision for your household or business. We're ready to assist with a review of your current usage and offer solutions tailored just for you.

You can change your rate plan at any time, penalty-free, by visiting your My Account portal. If you need help, video tutorials on our website can guide you through the process.
