**General Message**

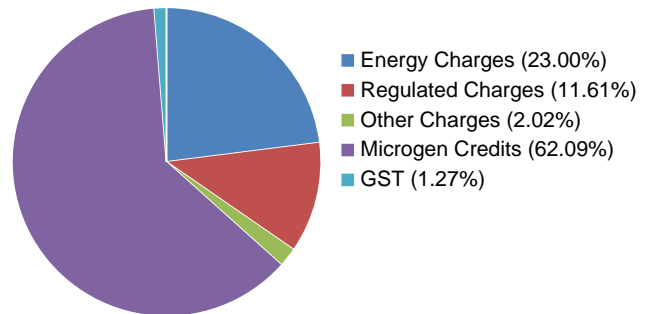

Happy August! With long weekends, warm evenings, and plenty of sunshine still ahead, there's lots to enjoy as summer rolls on. Whether you're escaping to the mountains, relaxing in the backyard, or squeezing in a few more road trips, Spot Power is here to keep your summer stress-free with affordable, reliable energy.

Please note that our office will be closed on Monday, August 4th for Heritage Day. We'll be back the following day and ready to assist with any questions or concerns you may have.

If you're a solar micro-generator, don't forget to take advantage of our new **Pre-Bill Data feature**. This tool lets you preview your invoice data before it's finalized, giving you the flexibility to switch rates if needed and maximize your solar value each month.

As always, if you're enjoying your experience with us, we'd love it if you told a friend or left us a Google Review. Your support helps us grow and keeps rates low across Alberta.
