### General Message

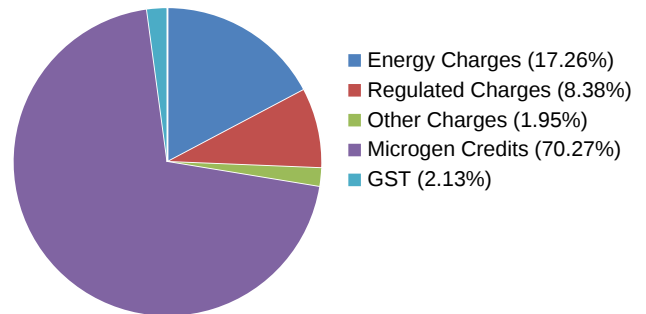

Happy June! Patio season is in full swing, the grills are heating up, and Albertans are making the most of every sunny evening. Whether you're camping, gardening, road-tripping, or simply relaxing in the backyard, Spot Power is here to keep your summer powered with reliable, affordable energy.

For our Solar Club Members, summer is also the perfect time to make the most of longer daylight hours. Do not forget that you can monitor your account, turn on RateSwitch, and review your Pre-Bill Data directly through your My Account portal to help maximize your solar value all season long.

If you've been happy with the service and savings you receive from us, we'd love your help spreading the word. Referrals and Google Reviews from customers like you help us grow, support local communities, and continue offering competitive rates across Alberta.

Please note that our office will be closed on Wednesday, July 1st, for Canada Day.
