General Message

As we embrace the final moments of fall, we continue our commitment to providing you with reliable and affordable energy. At Spot Power, we're here to make sure your energy needs are met with ease as the season changes.

This month, why not explore the various plans we offer to see if there's a better fit for your energy usage? At Spot Power, we offer the convenience of bundling your natural gas with your electricity services. Combining these simplifies your bills and may lead to even more savings.

Please note that our office will be closed on November 11th to observe Remembrance Day. We take this moment to honour the bravery and sacrifice of those who have served. Thank you for allowing us to meet your energy needs, and we look forward to serving you when we return.
