General Message

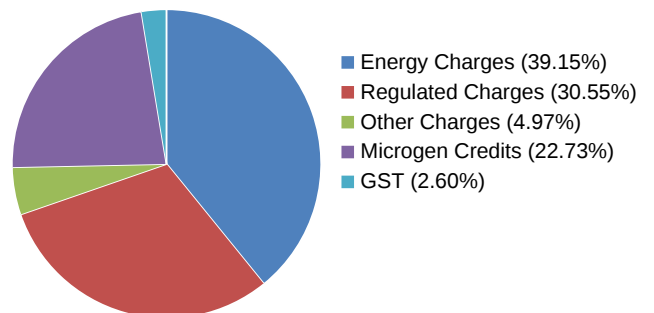

Did you know you can choose your invoice Due Date using our **Pick-a-Date program**? Example: if you normally get paid on the 15th, you can align your invoice Due Date so that money is withdrawn after you get paid.

Need more stability in your billing? If you are on a fixed electricity rate or any natural gas rate, have been enrolled with us for at least 6 months with clean payment history, you can access our Budget Billing program to stabilize your monthly payments. Accounts are reviewed semi-annually in April and October, with no true-ups and no balloon payments.

To request either of these 2 programs, contact our Customer Care Team at customercare@spotpower.net. Some conditions apply.

Please note that our office will be closed on Tuesday, November 11th, to observe Remembrance Day. We take this moment to honour the bravery and sacrifice of those who have served. Thank you for allowing us to meet your energy needs, and we look forward to serving you when we return.
