General Message

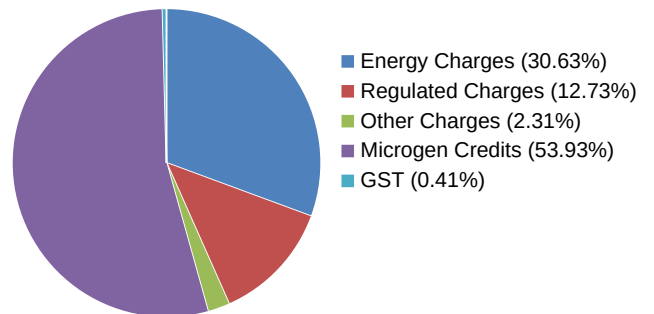

Happy October! As pumpkins appear on porches and the leaves crunch underfoot, it's clear that the witching season has arrived. Whether you're prepping costumes, carving jack-o'-lanterns, or just enjoying a warm drink by the window, Spot Power is here to keep your home cozy and your energy reliable as the days get shorter.

Thinking about rates before the snow flies? Consider our Variable Rate! Like bobbing for apples, it floats with market conditions and offers great savings over the long term. It's a treat for your wallet, no tricks involved!

Please note that our office will be closed on **Monday, October 13th** for Thanksgiving. We'll return the next day, recharged and ready to assist.

We're grateful for your continued support and proud to be your community energy provider. Wishing you a safe, warm, and wonderfully spooky October!
